WHEREAS, the Authority desires that the purchase, construction, renovation and improvement of the Project commence as soon as practicable;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE PLANNED INDUSTRIAL EXPANSION AUTHORITY OF KANSAS CITY, MISSOURI, AS FOLLOWS:

Section 1. Findings and Determinations. The Board of Commissioners of the Authority hereby finds and determines that issuance of the Bonds by the Authority to pay the costs of the Project will be in furtherance of the public purposes set forth in the Act.

Section 2. Authorization of the Bonds. In order to obtain funds to be used for the purposes aforesaid, the Authority is hereby authorized to issue the Bonds in an aggregate principal amount not to exceed \$80,000,000, which shall be issued under and secured by and shall have the terms and provisions set forth in the hereinafter referred to Indentures (defined herein). The Bonds shall be advertised and sold at public sale as required under the Act. The Chairman, Vice Chairman or Executive Director is authorized to accept the final terms of the Bonds and to sell the Bonds to best bidder. The final terms of the Bonds shall be specified in the Indentures, upon the execution thereof, and the signatures of the officers of the Authority executing the Indentures and Purchase Contracts shall constitute conclusive evidence of their approval and the Authority's approval thereof. The Bonds shall be executed on behalf of the Authority by the manual or facsimile signature of its Chairman, Vice Chairman or Executive Director and attested by the manual or facsimile signature of its Secretary or Assistant Secretary and shall have the corporate seal of the Authority affixed thereto or imprinted thereon.

Section 3. Limited Obligations. The Bonds shall be limited obligations of the Authority payable solely from the sources and in the manner as provided in the Indentures, and shall be secured by a pledge and assignment of and a grant of a security interest in the Trust Estate (as defined in the Indentures) to the Bond Trustee (herein defined) and in favor of the holders of the Bonds, as provided in the Indentures. The Bonds and interest thereon shall not be deemed to constitute a debt or liability of the State of Missouri (the "State"), the City or of any political subdivision thereof within the meaning of any State constitutional provision or statutory limitation and shall not constitute a pledge of the full faith and credit of the State, the City or of any political subdivision thereof, but shall be payable solely from the funds provided for in the Lease Agreements and the Indentures. The issuance of the Bonds shall not, directly, indirectly or contingently, obligate the State or any political subdivision thereof to levy any form of taxation therefor or to make any appropriation for their payment. The State shall not in any event be liable for the payment of the principal of, redemption premium, if any, or interest on the Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Authority.

Section 4. Authorization and Approval of Documents. The Authority is authorized to execute and deliver the following documents (the "Authority Documents") in the standard form of such documents as is commonly entered into by the Authority with respect to its bonded projects, with such changes therein as shall be approved by the officers of the Authority executing such documents, such officers' signatures thereon being conclusive evidence of their approval and the Authority's approval thereof:

(a) A Trust Indenture for each series of Bonds (the "Indentures") between the Authority and the trustee named therein, as corporate trustee (the "Bond Trustee"), dated the date set forth therein, providing for the issuance thereunder of the applicable series of Bonds and setting forth the terms and provisions applicable to such series of Bonds, including a pledge and assignment by the Authority of the Trust Estate to the Bond Trustee for the benefit and security of the owners of such Bonds upon the terms and conditions as set forth in such Indenture.

(b) A Lease Agreement with respect to each series of Bonds (the "Lease Agreements"), between the Authority and the Lessee under which the Authority will make the proceeds from the sale of the applicable series of Bonds available to the Lessee for the purposes herein described in consideration of payments which will be sufficient to pay the principal of,

redemption premium, if any, and interest on the applicable series of Bonds as set forth in the Lease Agreement.

(c) A Bond Purchase Agreement for each series of Bonds (the “Purchase Contract”), among the Authority, the Lessee, and the purchaser of the Bonds (the “Purchaser”), under which the Authority will agree to sell the Bonds to the Purchaser upon the terms and conditions as set forth in the Purchase Contract.

Section 5. Execution of Bonds and Authority Documents. The Chairman, the Vice Chairman or the Executive Director of the Authority is hereby authorized and directed to execute the Bonds by manual or facsimile signature and to deliver the Bonds to the Bond Trustee for authentication for and on behalf of and as the act and deed of the Authority in the manner provided in the Indentures. The Chairman, the Vice Chairman or the Executive Director of the Authority is hereby authorized and directed to execute and deliver the Authority Documents for and on behalf of and as the act and deed of the Authority. The Secretary or Assistant Secretary of the Authority is hereby authorized and directed to attest to the Bonds by manual or facsimile signature, to the Authority Documents and to such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Resolution.

Section 6. Limited Liability. Any provision hereof to the contrary notwithstanding, nothing herein contained shall be construed to impose a charge against the general credit of the Authority or to impose any pecuniary liability upon the Authority except with respect to the proper application of the proceeds to be derived by the Authority from the sale of the Bonds and of the revenues and receipts to be derived by the Authority from any financing, leasing or sale of the Project. Nothing herein shall be deemed to restrict the Authority or the State of Missouri or any agency or any political subdivision thereof in determining the order or priority of the issuance of bonds by the Authority or to require the Authority to give the Bonds priority as to issuance or as to the time of issuance over any other bonds previously or subsequently approved by the Authority for issue.

Section 7. Further Authority. Counsel to the Authority and Bond Counsel, together with the officers and employees of the Authority, are hereby authorized to work with the purchaser or purchasers of the Bonds, their respective counsel and others, to prepare for submission to and final action by the Authority all documents necessary to effect the authorization, issuance and sale of the Bonds and other actions contemplated hereunder in connection with the financing of the Project. The Executive Director is hereby authorized to publish notice (if required) and give any necessary notices to request proposals for the Project in accordance with the Act.
